

ANYTIME ANYWHERE

# V<sup>x</sup> 670

## WIRELESS HANDHELD FOR PORTABLE PAYMENTS

Meet the world's smallest all-in-one wireless payment device. Perfect for any merchant who needs a secure, feature-rich, portable device. The V<sup>x</sup> 670 features an easy-to-hold, tapered design and a surprisingly large, high-contrast, backlit display that allows use under any lighting condition. Lightning-fast processing and easy-to-change rechargeable batteries keep customers, employees and your business on the move. The V<sup>x</sup> 670. Yes, big things come in small packages.

## FRIENDLY FEATURES

- Lightning-fast processor and WiFi or GPRS connectivity speed transactions
- Ergonomically designed hand-held device to make customer input and staff handling easier
- MAXui interface provides an easy-to-read, high-contrast, backlit display
- Spill resistant, durable and break resistant when dropped on a hard floor from up to three feet

## SMART DESIGN

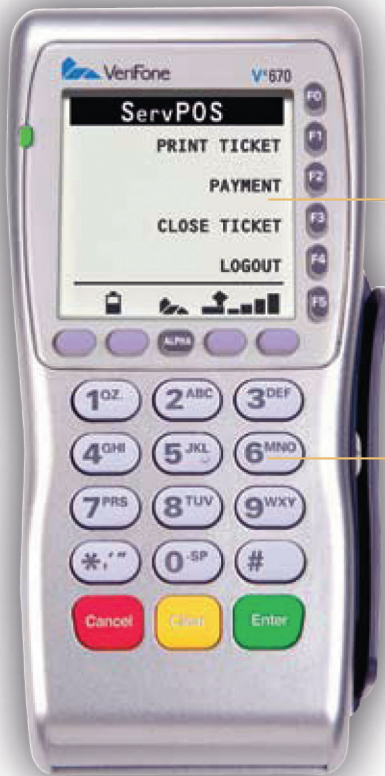

- Vertical mag-stripe card reader with contoured blade increases read rate
- Optional holster fits easily onto employee's belt to keep hands free
- Proven V<sup>x</sup> Solutions and industry-leading ServPOS and SoftPay software provide a familiar environment, like an ATM, to minimize training
- High-capacity lithium-ion battery can be quickly swapped using one hand
- PCI PED approval ensures compliance with the most stringent security standards, including industry benchmark WPA WiFi security

## MADE FOR BUSINESSES ON THE MOVE

- Wireless portability provides customer convenience
- Long-life batteries will keep your staff productive
- Optional base station features spare battery charger, USB ports and dial capabilities
